PROFESSIONAL EXPERIENCE

1) **Director of ABA services (BCBA®)**
Data Driven ABA
April 2022 – Present. Schaffhausen (CH)

The service clients are children with autism or other needs together with their families.
The main activity consists of the care in the education of children with deficits and behavioral excesses. The methodology is ABA (Applied behavior analysis).

The managing activity implies:

1) Monthly supervision of the clients that are assigned to each member of the ABA team (Assistant behavior analysts and ABA tutors);
2) Assignment of new clients to members of the ABA team;
3) Drafting and approval of educational and scientific projects;
4) Drawing of educational guidelines that will be applied by the ABA team members;
5) Supervising the work of the ABA team members and managing related problematic issues;
6) Approval of all education related and scientific communications about ABA published by the company;
7) Job interviews and assessments of the candidates for the inclusion in the ABA team;
8) First assessment of new clients.

2) Consultant for ABA services from abroad

"Voce nel Silenzio Cooperativa Sociale" Non profit company
January 2022 – Present. Gorla Minore (VA)
The undersigned provides to the company on-demand consultation and staff training for the implementation of educational ABA services.

3) Consultant for ABA services from abroad

"Aliter Cooperativa Sociale" Non profit company
January 2022 – Present. Pomigliano D'Arco (NA)
The undersigned provides to the company on-demand consultation and staff training for the implementation of educational ABA services.

4) Director of ABA services (BCBA®)

Foundations For Learning
January 2021 – April 2022. Zurich (CH)
The service clients are children with autism spectrum disorder or other needs together with their families.
The main activity consists of the care in the education of children with deficits and behavioral excesses. The methodology is ABA (Applied behavior analysis).

The managing activity implies:

1) Monthly supervision of the clients that are assigned to each member of the ABA team (Assistant behavior analysts and ABA tutors);
2) Assignment of new clients to members of the ABA team;
3) Drafting and approval of educational and scientific projects;
4) Drawing of educational guidelines that will be applied by the ABA team members;
5) Supervising the work of the ABA team members and managing related problematic issues;
6) Approval of all education related and scientific communications about ABA published by the company;
7) Job interviews and assessments of the candidates for the inclusion in the ABA team, with mutual approval by the board of directors;
8) First assessment of new clients.

5) Head of teaching and first lecturer (BCBA®)

Association for Advancement of Radical Behavior Analysis (AARBA)
April 2020 - 14 December 2021 (1 year and 8 months). Milano (MI)
The Association for the Advancement of Radical Behavior Analysis (AARBA) has entrusted the undersigned with the responsibility to verify the correct presentation of the educational contents related to the 7 courses of the VCS (Verified Course Sequence) approved by ABAI for the training of future behavior analysts. The responsibility for the academic year 2020-2021 implies:

1) Coordination of teachers with respect to the contents of the lessons (BACB 5th edition Task list)
2) Verification, approval and corrective feedback with respect to the contents of each of the 7 courses
3) Verification, approval and corrective feedback with respect to the practical exercises proposed during the lessons

Furthermore, the undesigned is serving as a lecturer for the 43% of the teaching hours in the entire VCS.

Michael Nicolosi, M.Sc., Psychologist (Switzerland), Board Certified Behavior Analyst BCBA® (USA)
Mobile: +41 (0) 76 478 06 25 — E-mail: michaelnicolosi@datadrivenaba.com – Web site: www.datadrivenaba.com

6) **Scientific Consultant (BCBA®)**

"Aliter Cooperativa Sociale" Non profit company

December 2016 – 14 December 2021 (5 years). Pomigliano D'Arco (NA)

The services provided involve monthly consultancy on the ABA (Applied Behavior Analysis) methodology for the company's staff, whose users are mainly children and adolescents with autism and other disabilities. The activities involve:

1) Clinical and scientific advice on individual cases proposed by the company (data analysis, writing of corrective protocols, training of staff on the field);
2) Clinical and scientific advice on the organization and management of projects carried on by the company;
3) Scientific advice on conducting scientific research aimed at improving the quality of the services offered to clients;
4) Service as a teacher for the training of ABA tutors, ABA senior tutors, assistant behavior analysts and behavior analysts.

7) **Director of ABA services (BCBA®)**

"Voce nel Silenzio Cooperativa Sociale" Non profit company

April 2015 – 14 December 2021 (6 years and 8 months). Gorla Minore (VA)

The service clients are children with autism spectrum disorder or other disabilities and their families.
The main activity consists of the care in the development of children with deficits and behavioral excesses. The methodology is ABA (Applied behavior analysis).

The managing activity implies:

1) Monthly supervision of the clients that are assigned to each member of the clinical group (ABA senior tutors and behavior analysts);
2) Assignment, by mutual agreement with the board of directors of the company, of new clients to the clinical group's behavior analysts;
3) Drafting and approval of clinical and scientific projects;
4) Drawing of treatment guidelines that will be applied by the clinical group;
5) Supervising the work of the clinical group and managing related problematic issues;
6) Approval of all clinical and scientific communications published by the company;
7) Job interviews and assessments of the candidates for the inclusion in the clinical group, with mutual approval by the board of directors;
8) First assessment of incoming clients.

8) **Psychologist and BCBA® Consultant**

Private practice

October 2014 – 14 December 2021 (7 years). Marnate (VA), Italy

The undersigned currently works in the field of disability with children, adolescents and some adults.

Service clients are mainly children with autism spectrum disorder, but the undersigned also deal with school problems and families with typically developing children. The operational methodology is ABA (Applied behavior analysis). The projects involves:

1) Assessment of the client;
2) Writing of a specific development curriculum;
3) Training and support to parents and staff involved;
4) Implementation of behavior modification procedures;
5) Weekly monitoring of progresses;
6) Consultation to school staff and educators involved.

The undersigned furthermore carries out ABA training (for RBT®), parent training courses for parents with children with disabilities and support meetings and guidance for parents in need.

9) **Academic professor (BCBA®)**

Università degli Studi Internazionali di Roma

September 2016 – November 2017 (1 year and 2 month). Roma

The didactic direction of the I and II level masters in Applied Behavior Analysis (ABA) entrusted the undersigned with the preparation and execution of lessons related to the BACB Fourth Edition Task List (I and II level Masters in ABA) and to the Registered Behavior Technician Task List (RBT®). The details of the commissioned lessons are indicated below ("TEACHING EXPERIENCE" section).

10) Clinical Director (Behavior Analyst)

"Stella Polare ABA per l'autismo" Association
June 2014 – March 2015 (10 months). Rho, Milano
Performed activities:

1) Supervision of clients in treatment;
2) Coordination of the clinical group;
3) Drafting projects;
4) Research and development.

11) Psychologist and ABA consultant (Supervised by BCBA®)

Private Practice
September 2013 – September 2014 (12 months). Lombardia, Italia
Service clients were mainly children with autism spectrum disorder.

The main activity consisted in the care of the development of children with deficits and behavioral excesses, under supervision of a BCBA®. The methodology was ABA (Applied behavior analysis). The activities involved:

1) Assessment of the client;
2) Writing of specific development curriculum;
3) Training and support to parents and staff involved;
4) Implementation of behavior modification procedures;
5) Weekly monitoring of progresses;
6) Consultation to school staff and educators involved.

12) ABA consultant (Supervised by BCBA®)

"SOLE scs"
September 2013 – June 2014 (10 months). Lomazzo (CO)
Service clients were mainly children with autism spectrum disorder.

The main activity consisted with helping development of children with deficits and behavioral excesses. The methodology applied for the activity was ABA (Applied behavior analysis). The activities involved: (see list in the previous point above). The undersigned also conducted training courses for ABA tutors and parent training courses.

13) Educator (ABA tutor)

"Il Melograno" Non profit company
September 2010 – Novembre 2012 (2 years and 3 months). Milano
The undesigned directly implemented educational interventions on several clients with disabilities (autism spectrum disorders, mental retardation, etc.) by using ABA methodology (Applied behavior analysis), both at school and in home programs.

The main activities consisted in:

1) Assessment of the educational needs of the client;
2) Directly teaching new skills;
3) Measurement of variables involved in order to obtain quantitative data;
4) Direct implementation ABA training to support social needs with peers, family relationships, learning at school;
5) Monthly meetings with social workers and psychologists.

14) University Tutor

The University of Pavia
September 2009 – June 2010 (10 months). Pavia (PV)
Developmental Psychology Area - Mentoring in theoretical and application contexts.

The activity involved

1) Writing and conducting exercises for bachelor's degree student;
2) Assisting to the teacher with the course "Learning psychology and motivation" during lectures;
3) Presentation of the degree courses in psychological sciences during the open day for future students.

Topics according to the BACB Fourth Edition Task List: B04, B05, B06, B07, B08, K01, K02, K03, K04, K05, K06, K07, K08, K09, K10 - Università degli studi internazionali di Roma.

45) "The collection and processing of quantitative data" and "The use of Single Subject Research Designs in Behavior Analysis - Session I", II level Master in Applied Behavior Analysis, lecturer, 16 hours, 5-6 July 2017, Roma. Topics according to BACB Fourth Edition Task List: A01, A02, A03, A04, A05, A06, A07, A08, A09, A10, A11, A12, A13, A14, B01, B02, B03, B04, B05, B06, B07, B08, I01, I02 - Università degli studi internazionali di Roma.

46) "Intervention Strategies for Management of Maladaptive Behaviors" and "The assessment and the intervention on verbal behavior with children with autism", Autism Network & Best Practices in Italy international conference - 6 hours, 2 July 2017, Roma, Università degli studi internazionali di Roma.

47) "Applied Behavior Analysis - Theoretical and practical training for ABA tutors - Summer 2017 edition" - Didactic coordinator, lecturer, 24 hours out of 68, from June 2017 to September 2017 - Coop. Voce nel Silenzio Onlus a r.l., Gorla Minore (VA).

48) "Applied Behavior Analysis for Behavior Technicians (RBT®)" - Lecturer, 40 hours out of 40, from June 2017 to July 2017, Roma. The training, offered independently by the BACB®, was structured on the basis of the Registered Behavior Technician Task List and implemented in order to provide the access requirements to the RBT® credential promoted by BACB® - Università degli studi internazionali di Roma.

49) "The use of single subject research designs in behavior analysis - Session I", II level Master in Applied Behavior Analysis, lecturer, 8 hours, 12 May 2017, Roma. Topics according to the BACB Fourth Edition Task List: B01, B02, B03, B04, B05, B06, B07, B08 - Università degli studi internazionali di Roma.

50) "ABA: Functional Analysis and Intervention Strategies for Problem Behavior Management" - Lecturer, 8 hours, 10 May 2017, Caserta - Associazione Pegaso (CE), national provider of ECM courses 1258.

51) "The collection and processing of quantitative data", II level Master in Applied Behavior Analysis, lecturer, 12 hours, 21-22 April 2017, Roma. Topics according to the BACB Fourth Edition Task List: A01, A02, A03, A04, A05, A06 , A07, A08, A09, A10, A11, A12, A13, A14, D03, D10, D11, D12, D13, D14 - Università degli studi internazionali di Roma.

52) "EducABA - A project to support parents, teachers, educators, psychologists and pedagogists to intervene effectively on educational difficulties - Lurago d'Erba (CO) edition spring 2017", didactic coordinator, from April 2017 to July 2017 - Coop. Voce nel Silenzio Onlus a r.l., Gorla Minore (VA), in collaboration with ANFFAS Seregno (MB).

53) "Applied Behavior Analysis - Theoretical and practical training for ABA tutors - Alzate Brianza (CO) Edition, Spring 2017" - Didactic coordinator, lecturer, 24 hours out of 68, from April 2017 to July 2017, Alzate Brianza (CO) - Coop. Voce nel Silenzio Onlus a r.l., Gorla Minore (VA), in collaboration with ANFFAS Seregno (MB).

54) "Methodology of clinical research in Applied Behavior Analysis: Behavioral Assessment", post-lauream course in psychotherapy, lecturer, 16 hours (behavioral methodology module), 17 and 18 March 2017, Napoli. Topics according to the BACB Fourth Edition Task List: A01, A02, A03, A04, A05, A06, A07, A08, A09, A10, A11, A12, A13, H01, I01, I02, I03, I04, I06, J01, J05, G3, FK48 - Scuola di Specializzazione Cognitivo-Comportamentale per i Disordini dell'Età Evolutiva - Serapide SPEE (NA).

55) "The collection, processing and clinical use of quantitative data", I level Master in Applied Behavior Analysis, lecturer, 16 hours, January 26 and March 2, 2017, Roma. Topics according to the BACB Fourth Edition Task List: A01, A02, A03 , A04, A05, A06, A07, A08, A09, A10, A11, A12, A13, D09, H01, I01, I02, I04, FK48 - Università degli studi internazionali di Roma.

56) "The possibilities of intervention offered by Applied Behavior Analysis. An introduction to applications in the school context "- 14 hours, 18 January, 16 February, 5 April, 15 May 2017, Pomigliano D'arco (NA) - Coop. Sociale Aliter, Pomigliano D'Arco (NA).

57) "Applied Behavior Analysis for Behavior Technicians (RBT®)" - Lecturer, 68 hours, from February 2017 to July 2017, Pomigliano D'Arco. The training, offered independently by the BACB®, was structured on the based on the Registered Behavior Technician Task List and implemented in order to provide the access requirements to the RBT® credential promoted by BACB® - Coop. Sociale Aliter, Pomigliano D'Arco (NA).

Michael Nicolosi, M.Sc., Psychologist (Switzerland), Board Certified Behavior Analyst BCBA® (USA)
Mobile: +41 (0) 76 478 06 25 — E-mail: michaelnicolosi@datadrivenaba.com – Web site: www.datadrivenaba.com

Year 2016

58) "Behavioral assessment of verbal skills", theoretical and practical training for ABA tutors - Lecturer, 12 hours, 13-14 December 2016, Caserta - Pegaso Association (CE), national provider of ECM courses 1258.

59) "Applied Behavior Analysis for Behavior Technicians (RBT®)" - Lecturer, 68 hours, 11 participants, from December 2016 to June 2017, Treviolo (BG). The training, offered independently by the BACB®, was structured on the basis of the Registered Behavior Technician Task List and implemented in order to provide the access requirements to the RBT® credential promoted by BACB® - Coop. Voce nel Silenzio Onlus a r.l., Gorla Minore (VA), in collaboration with "Connettiamo l'autismo - Bergamo".

60) "Applied Behavior Analysis - Theoretical and practical training for ABA tutors - Abbiategrasso (MI) edition autumn 2016" - Didactic coordinator and lecturer, 28 hours out of 68, from October 2016 to February 2017, Abbiategrasso (MI) - Coop. Voce nel Silenzio Onlus a r.l., Gorla Minore (VA).

61) "Applied Behavior Analysis - Theoretical and practical training for ABA tutors - Seregno (MB) edition autumn 2016" - Didactic coordinator and lecturer (28 hours out of 68), from October 2016 to March 2017, Seregno (MB) - Coop. Voce nel Silenzio Onlus a r.l., Gorla Minore (VA), in collaboration with ANFFAS Seregno (MB).

62) "Assessment and measurement of behavior", II level Master in Applied Behavior Analysis, lecturer, 4 hours, 9 September 2016, Roma. Topics according to the BACB Fourth Edition Task List: A01, A02, A03, A04, A05, A06, A07, A08, A09 , A10, A11, A12, A13, H01, H02, I01, I02, I03, FK48 - Università degli studi internazionali di Roma.

63) "Operant Behavior and 3-Terms Contingency", 1st level Master in Applied Behavior Analysis, lecturer, 12 hours, 8-9 September 2016, Roma. Topics according to the BACB Fourth Edition Task List: D01, FK10, FK11, FK15, FK17, FK18 , FK31 - Università degli studi internazionali di Roma.

64) "Applied Behavior Analysis for Behavior Technicians (RBT®)" - Lecturer, 68 hours, 9 participants, from July 2016 to January 2017, Pomigliano D'Arco (NA). The training, offered independently by the BACB®, was structured on the basis of the Registered Behavior Technician Task List and implemented in order to provide the access requirements to the RBT® credential promoted by BACB® - Coop. Sociale Aliter, Pomigliano D'Arco (NA).

65) "Evaluation and programming through the VB-MAPP and ABLLS-R scales" - Lecturer, 12 hours, about 40 participants, from 12 to 14 December 2016, Caserta - Pegaso Association, Caserta (CE), national provider of ECM courses 1258.

66) "Applied Behavior Analysis (ABA): birth, development and false myths of a science that can change the world" in "Smart Education - Three schooling days" - Lecturer, 1 hour, over 100 participants, 20 October 2016, online streaming - Quality Center of Naples, Campania Region School Office.

67) "Autism in Autumn - 4 thematic meetings to learn about autism and understand how to intervene through applied behavior analysis (ABA)" - Didactic coordinator, lecturer (2 hours out of 8), about 300 participants, 13 October 2016, Gorla Minore (VA) - Coop. Voce nel Silenzio Onlus a r.l., Gorla Minore (VA), in collaboration with the municipal administration of the city of Gorla Minore (VA) and with the patronage of the "Azienda Speciale Consortile Medio Olona" (VA).

68) "Applied Behavior Analysis for Behavior Technicians (RBT®)" - Lecturer, 40 hours, 17 participants, from September 2016 to November 2016, Gorla Minore (VA). The training, offered independently by the BACB®, was structured on the basis of the Registered Behavior Technician Task List and implemented in order to provide the access requirements to the RBT® credential promoted by BACB® - Coop. Voce nel Silenzio Onlus a r.l., Gorla Minore (VA).

69) "EducABA - A project to support parents, teachers, educators, psychologists and pedagogists to effectively intervene on educational difficulties - Lurago d'Erba (CO) Edition", Lecturer, 24 hours, 18 participants, from September 2016 to November 2016, Lurago d'Erba (CO) - Coop. Voce nel Silenzio Onlus a r.l., Gorla Minore (VA), in collaboration with ANFFAS Seregno (MB).

70) "Applied Behavior Analysis - Theoretical and practical training for ABA tutors - Sapri Edition (SA) 2016" - Didactic coordinator, first lecturer, 28 hours out of 68, 17 participants, from August 2016 to December 2016, Sapri (SA) - Coop. Voce nel Silenzio Onlus a r.l., Gorla Minore (VA), in collaboration with "Il tempo per l'oro" (SA).

Michael Nicolosi, M.Sc., Psychologist (Switzerland), Board Certified Behavior Analyst BCBA® (USA)
Mobile: +41 (0) 76 478 06 25 — E-mail: michaelnicolosi@datadrivenaba.com – Web site: www.datadrivenaba.com

71) “Direct and indirect measurement of behavior; Identification of the measurable dimensions of the behavior; Measuring instruments; Inter-observer agreement; Graphical representations of the collected data", II level Master in Applied Behavior Analysis, lecturer, 4 hours, over 20 participants, 9 September 2016, Roma. Topics according to the BACB Fourth Edition Task List: H-01, H-02, I-01, I-02, I-03, A-01, A-02, A-03, A-04, A-05, A-06, A-07, A-08, A-09, A-10, A-11, A-12, A-13, FK-48 - Università degli studi internazionali di Roma.

72) “Operant behavior and 3-terms contingency; Contingencies related to the acquisition of new behaviors”- I level Master in Applied Behavior Analysis, lecturer, 4 hours, over 50 participants, 8 and 9 September 2016, Roma. Topics according to the BACB Fourth Edition Task List: FK-10, FK-11, FK-15, FK-31, FK-17, FK-18, D-01 - Università degli studi internazionali di Roma.

73) "The intervention possibilities offered by Applied Behavior Analysis. An introduction to the applications in school settings "- Lecturer, 12 hours, 25 participants, April 7, 2016 - May 12, 2016 - June 30, 2016 - October 1, 2016, Pomigliano D'Arco, (NA) - Cooperativa sociale Aliter, Pomigliano D'Arco (NA).

74) "Applied Behavior Analysis - Theoretical and practical training - Second Edition, Gorla Minore Spring 2016" - Lecturer, 40 hours out of 64, 15 participants, from March 2016 to July 2016, Gorla Minore (VA) - Voce nel Silenzio Onlus ar.l., Gorla Minore, Varese.

75) "Applied Behavior Analysis - Theoretical and practical training - First Edition Gorla Minore Spring 2016" - Lecturer, 40 hours out of 64, 17 participants, from February 2016 to June 2016, Gorla Minore (VA) - Voce nel Silenzio Onlus ar.l., Gorla Minore (VA).

76) “Single module training: the measurement of behavior, the graphical representation of the data, the reinforcement schedules" - Lecturer, 12 hours, 15 participants, March 17-18, 2016, Pomigliano D'Arco (NA) - Cooperativa sociale Aliter, Pomigliano D'Arco (NA).

Year 2015

77) "Applied Behavior Analysis - Theoretical and practical training - Fall 2015 Edition" - Lecturer, 64 hours, 17 participants, from October 2015 to February 2016, Gorla Minore (VA) - Voce nel Silenzio Onlus a r.l., Gorla Minore (VA).

78) "The intervention possibilities offered by Applied Behavior Analysis. A theoretical introduction to the applications in school settings “- Lecturer, 4 hours, more than 20 participants, October 16-19, 2015 - State School of Rosate (MI).

79) "Applied Behavior Analysis for Behavior Technicians" - Lecturer, 40 hours, 6 participants, from August 2015 to September 2015, Gorla Minore (VA). The training, offered independently by the BACB®, was structured on the basis of Registered Behavior Technician Task List and implemented to provide the requirements for access to the credential of RBT® offered by BACB® - Voce nel Silenzio Onlus a r.l., Gorla Minore (VA).

80) "Applied Behavior Analysis - Theoretical and practical training" - Lecturer, 64 hours, 15 participants, from February 2015 to July 2015, Rho (MI) - Association Stella Polare Onlus, Rho (MI).

Year 2014 and before

81) "Applied Behavior Analysis - Theoretical and practical training" - Lecturer, 64 hours, 13 participants, from October 2014 to January 2015, Rho (MI) - Association Stella Polare Onlus, Rho (MI).

82) "Introduction to the Applied Behavior Analysis" - Lecturer, 24 hours, 3 participants, from January 2014 to February 2014, Rho (MI) - Association Stella Polare Onlus, Rho (MI).

83) "Basic Training on ABA" - First lecturer out of 2, 10 participants, 56 hours, from April 2014 to June 2014, Lomazzo (CO) - SOLE scs, Lomazzo (CO).

84) "Parent Training - Autism spectrum disorder and Behavior Analysis" - Lecturer, 20 hours, 8 participants, from September 2013 to October 2013, Lomazzo (CO) - SOLE scs, Lomazzo (CO).

SKILLS

1. Consulting and direct application of Applied Behavior Analysis.
2. Treatment of behavioral problems and skill deficits with behavior analysis.
3. Teaching behavior analysis.
4. Staff training in behavior analysis.
5. Staff management with behavior analysis methodology.
6. Public speaking.
7. Clinical case management.
8. Counseling in the area of mental health and behavioral problems.
9. Projects writing.
10. Psychology.
11. Microsoft Office package.
12. Apple iWork package.
13. Mac OS and iOS.
14. Principles of management of HTML websites and WordPress websites.
15. Adobe Photoshop CS4.

LANGUAGES

- **Italian**: Native tongue
- **English**: written and spoken professional knowledge
  IELTS B2 level certification for the English language issued on 16 September 2017
- **German**: currently learning.

EDUCATION

1) **Commission for psychological professions PsiCo (Switzerland)**
   Formal recognition of psychological studies
   March 2021
   Psychological studies conducted in Italy by Michael Nicolosi have been formally recognized in Switzerland. The abroad obtained diploma in psychological studies has the same effect of a diploma obtained by a Swiss university. The recognized diploma allow to use the protected professional name of Psychologist in Switzerland.

2) **Queen's University Belfast (UK)**
   Ph.D in Education (Applied Behavior Analysis)
   February 2018 - Present (in progress)
   Admission to the School of Social Sciences, Education and Social Work (SSESW) of the Queen's University of Belfast with the following research project lasting 6 years: "Addressing the core symptoms of severe autism spectrum disorder: effectiveness of intensive behavioral interventions for adolescents and young adults"

3) **Behavior Analyst Certification Board®, Inc. (BACB®)**
   Standards for Supervision Requirement.
   April 2015
   Enabled by the BACB® to provide supervision to students pursuing BCBA®, BCaBA®, RBT™ certification.

4) **Relias Learning - North Carolina, USA**
   Post-certification, competency-based, BACB-approved training module on supervising pre-certification individuals.
   March 2015 - March 2015
   The training, recognized by the BACB®, was played entirely online via the internet website http://reliaslearning.com, and had a duration of 8 hours. A final exam was performed . The training objective was to refine skills as behavior analyst acquired in order to provide supervision to students pursuing BCBA®, BCaBA®, RBT™ certification.

5) **Behavior Analyst Certification Board®, Inc. (BACB®)**
   Board Certified Behavior Analyst - BCBA®
   November 2014
   Examination to certify as BCBA®. Certification Number: 1-14-17023.
   The BACB® is a nonprofit corporation that guarantees the quality of the professionals who perform activities as behavior analyst (ABA consultant). The BACB® adheres to international standards of organizations that provide professional skills. BCBA® certification is accredited by the National Commission for Certifying Agencies (NCAA), Washington DC, and is a credential of excellence in professional preparation.

6) **IESCUM - European Institute for the study of human behavior (ABAI Italian Affiliate Chapter)**
   RIAC Member - Italian Registry of behavior analysts
   November 2014
   Examination to become a RIAC member. Certification Number: AG030.

Michael Nicolosi, M.Sc., Psychologist (Switzerland), Board Certified Behavior Analyst BCBA® (USA)
Mobile: +41 (0) 76 478 06 25 — E-mail: michaelnicolosi@datadrivenaba.com – Web site: www.datadrivenaba.com

The Italian Registry of Behavior Analysts in Italy is an advanced training and professionalism guarantee. RIAC includes professionals who meet the following criteria:

- Five-year degree or master (psychology, medicine, educational science).
- Master of science in Behavior analysis;
- 1,500 hours training with 75 supervision hours according to the BACB criteria.
- Examination to be admitted: presentation and discussion of a case report in accordance with the IESCUM guidelines.
- Continued Education in accordance with the BACB-IESCUM criteria.

7) IESCUM - European Institute for the study of human behavior

Master in "Behavior analysis: theoretical and methodological aspects and applications to autistic disorder"
March 2012 – September 2014
The Master aims to train skilled professionals able to plan, manage and monitor interventions based on applied behavior analysis, with particular reference to autism spectrum disorders and pervasive developmental disabilities.
The supervised fieldwork, which lasted 1,500 hours, involved consultation and programming activities under the supervision of a BCBA®.

The two-year theoretical course and supervised fieldwork are designed to meet the BCBA® requirement in order to sit for the BCBA® examination.

Among the main subjects:

1) Assessment of deficits and behavioral excesses in children with disabilities.
2) Measurement of behavioral variables related to deficits and excesses
3) Programming development curricula with specific protocols for behavior modification.
4) Frequent assessment of the results of trainings.
5) Consultation and effective assistance to parents.
6) Consultation and assistance to teachers and educators.
7) Staff training.
8) Activities as a speaker in specific training events regarding ABA

Among the lecturer…

- Philip N. Chase, PhD, West Virginia University, Cambridge Center for Behavioral Studies
- Peter Sturmey, PhD, Queens College, City University of New York
- Neil Martin, PhD, BCBA-D®, Director of International Development at Behavior Analyst Certification Board
- Shahla Ala'i-Rosales, Ph.D, BCBA-D®, University of North Texas
- Paolo Moderato, PhD, University IULM of Milan, President of IESCUM
- Cristina Copelli, PhD, BCBA-D®, University IULM of Milan, IESCUM
- Giovambattista Presti, MD, PhD; Kore University of Enna, IESCUM

BCBA® Supervisors during training:
1) Megan DeLeon Miller, M.S., BCBA® - Virginia Beach (Va), USA
2) Robert K. Ross, BCBA-D® - Boston (Ma), USA
3) Neil Martin, PhD, BCBA-D® - London, UK

8) Università degli studi di Pavia

License to practice as a psychologist (Italy)
2013
State exam to practice the profession of a psychologist.

9) "SOLE Onlus" Non profit organization

6 months internship
June 2013 – July 2013
Depth study of the following aspects of the Applied Behavior Analysis (ABA) under BCBA® supervision:

1) Data collection and measurement of behavior.
2) Experimental single-subject designs to verify outcomes of treatments.
3) Organization and management of a telehealt consulting service.

10) "San Carlo Borromeo" Hospital

Michael Nicolosi, M.Sc., Psychologist (Switzerland), Board Certified Behavior Analyst BCBA® (USA)
Mobile: +41 (0) 76 478 06 25 — E-mail: michaelnicolosi@datadrivenaba.com – Web site: www.datadrivenaba.com

3 months volunteer internship for training purposes
2012 – 2013
Depth study of the following aspects of clinical psychology:

1) Progressive training for muscle relaxation.
2) Psycho-Educational interventions for patients with bipolar disorder.
3) Psychological treatment of chronic pain in patients with multiple trauma.

11) "San Carlo Borromeo" Hospital

6 months internship
2012 – 2012
The trainee's activities involved direct assistance to the psychologist in charge of the training project.

This project involved the study of the following aspects related to clinical psychology:

1) Psychological interview and its application in clinical context.
2) Diagnosis and network intervention with patients with psychotic disorder.
3) Psychological assessment tools (MMPI, CBA 2.0, BDI, WISC, WAIS, CORE-OM, STAI, SCID-II etc.)
4) Structure, organization and implementation of projects in psychological area.
5) Assessment of patients with head-brain injury.
6) Psychoeducational interventions for patients with bipolar disorder.

The trainee's activities also involved giving assistance to the psychologist in charge during psychology lectures for students of the Bachelor degree in Science of Nursing.

12) Università degli Studi di Pavia

Master of Science in Psychology
2009 – 2011
Vote: 110/110 cum laude

Thesis: "The Pervasive Developmental Disorders - Qualitative analysis of the Interventions Implemented on a Case of Interest in School Environment"

The thesis explores the principles of the Applied Behavior Analysis and its application to clients with pervasive developmental disorder (autism spectrum disorders).

13) Private home programs (BCBA® supervised)

Voluntary fieldwork as an ABA tutor (therapist)
2008 – 2012
The activity, carried out under the direction of a BCBA®, consisted in teaching skills to children with developmental disabilities and to prepare materials needed for the intervention of other ABA tutors.

The main responsibilities involved:
a) Application of methodologies to elicit motivation through environmental manipulation,
b) Application of intervention protocols defined by the BCBA® consultant,
c) Data collection on the client's performance,
d) Writings of periodic reports for the family and the consultant,
e) Communication via email, Skype and live with the BCBA® consultant,
f) Setting up and organization of the necessary materials.

14) Università degli studi di Pavia

Bachelor degree in sciences and psychological techniques
2006 – 2009
Vote: 109/110

Thesis: “Psychotic decompensation in bipolar disorder: a case study with integrated treatment compound by drugs and rehabilitation"

15) Psychiatric rehabilitation community "Villa Maura"

6 months internship
2008 – 2008

Michael Nicolosi, M.Sc., Psychologist (Switzerland), Board Certified Behavior Analyst BCBA® (USA)
Mobile: +41 (0) 76 478 06 25 — E-mail: michaelnicolosi@datadrivenaba.com – Web site: www.datadrivenaba.com

The training has involved the work side-by-side with educators and psychologists for the implementation of psychiatric rehabilitation activities for patients with different psychiatric disorders.

Among the main activities:
1) Participation in the daily team meetings with psychologists, educators, psychiatrists, psychiatric rehabilitation technicians (Terp).
2) Side by side working with educators and Terp during different activities of rehabilitative purposes (group discussions for patients, rehabilitation activity like carpentry, cultivate, field trips, expressive activities etc.)
3) Writing of the "internship diary"
4) Writing of a thesis on the expressive therapies as a means for psychological intervention

16) NicolosiProductions

12 months Stage - "Connect the music" project
September 2005 – September 2006
The stage has involved a complete construction of a music distribution network with traders located in different cities throughout the Italian peninsula. The main activities consisted of:

1) Analysis of the customer on the selected territory,
2) Telephoning the customer and negotiation of a collaborative formula
3) Data entry to the company's computer in order to draft an information file for each customer,
4) Order management.

17) Tech Data Italia spa

2 months stage - Marcom Area (Marketing & Communication)
2005 – 2005
The stage included the following activities:

1) Processing practices and data entry to the computer about every new customer,
2) Graphic processing of promotional banner for the company's website
3) Communication with the company's brand manager for the management of the advertising spaces on the company website
4) Update the information in the customers' database through telephone contacts with them.

18) Liceo Classico E. De Amicis

High school diploma in classical studies
2000 – 2005

CONTINUING EDUCATION EVENTS

1) Participation in the "18th European Conference on Applied Behavior Analysis", Association for the Advancement of Radical Behavior Analysis (AARBA) from 8th to 9th July 2022, Milan, Italy.

2) Participation in the "47th ABAI Annual Convention" from 28th to 31st May 2021, online streaming.
